Subject: RE: Passaic CAG meeting tomorrow

Hi David,

I'm glad that the tour went well.

We don't have any plans to make a presentation tomorrow night. Both Rob and Stan are unavailable to attend the meeting, but I'll be there and am happy to provide assistance if the CAG has any questions.

EPA is not giving any PowerPoint presentations tomorrow evening. Is the CPG? If yes, then I can bring a projector. Please advise.

Also, thanks for the efforts made with the CAG tour on Monday. While the turnout was low, there were a lot of good questions. The CAG leadership appreciated that the CPG planned the tour, provided the transportation and retained flexibility with proceeding with the tour at their request.
